March Meeting Report

Another large crowd for the March meeting. After an excellent meal from The Market, introductions were made. Tyler Wallen was introduced as our newest member! Our brief business meeting followed.

How's Business proved to be another great program. First up was Jamie & Audra Smith of Stonefield Farms. Jamie provided an overview of what they have to offer and what they plan to do in the future.

Next Mike & Kathie Boyce shared their story of Muddy Creek Winery and how it all started. Both business owners took questions from the floor. The meeting ended at 8:15 with the 50/50 winner being Levi of Levi's Construction and Margaret White winning the Dairy Freeze Banana Split for her RSVP.

101 of our 1__ members are currently up to date with dues. Please consider keeping your membership current.
